Getting from [Honolulu International Airport](#) to different parts of the island such as Waikīkī via TheBus: <https://airports.hawaii.gov/hnl/getting-to-from/ground-transportation/the-bus/>

It takes about an *hour and fifteen minutes* to get to Chaminade campus from the airport by bus, so you might want to consider other transportation options (see below paragraph on "Additional Transportation Options & Directions"). Also, if you plan to take a bus from the airport and back, note the limitations to luggage size and backpack types:

See "**Additional Transportation Options & Directions**," including cab, car rental, and airport shuttle services, in the *Chaminade Airport Shuttle* webpage (the campus shuttle itself is only

available to Chaminade students, so disregard the online form to order shuttle service, but look at the additional transportation links): <https://advising.chaminade.edu/airportshuttle/>

If you are **staying in Waikīkī** including our Chaminade-discounted hotel rooms at the Courtyard by Marriott Waikīkī Beach hotel, and want to **take TheBus to Chaminade**, here is a [map of bus routes in Waikīkī](#)--you should take the **#13 Route** and head eastbound in the direction of *Kapahulu Ave.*, which will eventually lead mauka (towards the mountains) towards the University of Hawai'i of Mānoa area and to nearby Wai'ālae Ave. This means you should catch TheBus on the makai (towards the ocean) side of Kūhio Ave on the map (otherwise, you will head westward towards Ala Moana Shopping Center/downtown). The 13 runs directly from Kūhio St. in Waikīkī to Wai'ālae near Chaminade and back with about a block or two of walking on either end. The 13 runs approximately every 15-20 minutes.

After about 12 minutes on this bus, you should get off at the intersection (/stop) of St. Louis Drive & Wai'ālae Ave.; walk on the mauka side of the street up Wai'ālae (it is hilly; wear comfy shoes) past the City Mill & the W&M Burger, until you reach the Chaminade University entrance across the Subway/L&L Hawaiian Barbecue/Shaloha mini-mall and the St. Louis Drive In/St. Louis Delicatessen cluster of fast-food restaurants.

Here is the [#13 schedule](#); the only stop in Waikīkī listed here is near the east end of Kūhio close to its Kapahulu intersection, where it intersects with Paoakalani (stop #154, column "O" on the left side of this schedule).
